The 2011 NFL draft has reached its conclusion,nfl eagles jersey, and this is the time of year when every coach and general manager feels great about their selections.

The AFC North is annually one of the toughest divisions in football,cheap nba jerseys, with two powerhouse teams in the Baltimore Ravens and Pittsburgh Steelers. The Cleveland Browns and Cincinnati Bengals are trying to close the gap by acquiring good talent in this draft.

With that in mind,discount football jerseys, here is a look at the draft decisions made within the division:

## BEST MOVE

### AFC North Draft Picks

There are essentially four types of questions players are asked:

In all,nfl jersey shop, it was good fun. And there were some illuminating quotes to come out of the day. You can listen to players speak for themselves in our virtual media day player,nike nfl 2012,kids hockey jersey, one for the Arizona Cardinals and one for the Pittsburgh Steelers.

The football question looks to get some nugget of news from a player about the team's preparations or strategy for matching up against the opponent's offense/defense/secondary. The request for comment on a teammate or opponent. This is when reporters try to get Pittsburgh's Troy Polamalu to talk about how much he respects the way Arizona's Adrian Wilson plays the game. The ridiculous question,personalized football jersey, sometimes asked by a foreign reporter in drag or a character from "The Tonight Show." These are no longer amusing. The meta question is when a reporter asks a player or coach what the most ridiculous question he has been asked. When a reporter asked Willie Parker what the silliest question he fielded was, he said, "Something about my tattoos." At that moment,michigan state football jersey, I felt a little silly myself for having asked the Cardinals' Darnell Dockett about his tattoos.

- Cleveland Browns
- Pittsburgh Steelers

The biggest draft trade this week was made by the Browns,nfl giants jersey,cheap youth nfl jerseys, who gained five draft picks from the Atlanta Falcons for the No. 6 overall pick. The trade eliminated the chance the Browns would make a huge splash in the first round but sets the team up well to add talent gradually to a thin roster.

Atlanta took Alabama receiver Julio Jones with the sixth pick,lsu football jersey, while the Browns added Baylor defensive tackle Phil Taylor in the first round after a trade back up to No. 21 with the Kansas City Chiefs. Cleveland also drafted North Carolina receiver Greg Little with Atlanta's second-round pick and Stanford fullback Owen Marecic with the Falcons' fourth-round pick.

Next year Cleveland will have three additional picks from the Falcons -- including their first-rounder -- and nine draft picks total. That should help the Browns continue to build a solid foundation.

"Because of how the draft fell,nhl jersey database, we did absolutely the right thing," Browns president Mike Holmgren said of the trade.

Ironically, football jersey display case, the Falcons made a similar offer to the Bengals, who passed because they didn't believe equal value was there at No. 4. So the Bengals took Georgia receiver A.J. Green, Stanford football jersey, and Cleveland was more than happy to trade with Atlanta at No. 6.

## RISKIEST MOVE

[+] Enlarge Aaron M. Sprecher/Getty Images The Ravens decided to take a risk on Colorado cornerback Jimmy Smith in the first round. The Ravens went all in with a player many teams refused to touch.

Colorado cornerback Jimmy Smith, create football jersey, one of the most talented players in the draft, nhl penguins jersey, was taken by Baltimore with the No. 27 overall pick. Smith has a lengthy track record of off-the-field issues, which reportedly include three failed drug tests, Nike Pro Combat, two alcohol-related violations and an arrest for third-degree assault.

But the Ravens went through a lengthy research and interview process with Smith to dig into his background and personality. They felt comfortable with the selection.

"Every pick, how to frame a football jersey, there is some bit of a gamble in it," Ravens general manager Ozzie Newsome said. "But we trust our process. We trust the people that got the opportunity to spend time with him, NFL football jerseys cheap, and there was a number of people that had that opportunity to spend some time with him."

There is no questioning Smith's ability. Baltimore's pass defense has been inconsistent the past few seasons, nhl practice jerseys, football jersey maker, and the team believes Smith has the potential to be a shutdown corner.

Some around the league have compared Smith to Nnamdi Asomugha in terms of pure talent. That is very high praise. But the Ravens have to make sure they keep Smith on the field to reach his potential.

"This guy, UCLA football jersey, he's a special player, NFL women jersey, nhl custom jerseys," Ravens head coach John Harbaugh said. "He's exactly the type of corner that we're looking for. He fits our defense just the way we need him to fit our defense."

## MOST SURPRISING MOVE

The most surprising move in the AFC North could be considered a non-move early in the draft by the Steelers. The team didn't address its biggest need -- cornerback -- until the middle rounds.

The Steelers are known for drafting developmental players at that position. But because the Steelers were so thin there this year, they were expected to go against that trend and get one of the top prospects in the first two rounds.

Instead, custom NFL jersey, the Steelers stayed true to form by drafting Texas corner Curtis Brown in the third round and Cortez Allen from the Citadel in the fourth round. Perhaps these players can make an immediate impact, but it's rare that third- and fourth-round picks become starting corners for a playoff team as rookies.

No. 1 corner Ike Taylor and top reserve William Gay are both free agents, and there's no guarantee either player will return. The Green Bay Packers' passing game torched the Steelers in Super Bowl XLV. Pittsburgh didn't do enough in the draft to ease those concerns.

## FILE IT AWAY

Second-round pick Andy Dalton became the ninth quarterback the Cincinnati Bengals have drafted in the past 20 years. Cincinnati has very high hopes for Dalton, but its track record hasn't been good.

Since 1991, the Bengals have had a series of misses that include David Klingler, reebok nfl jersey, Akili Smith and Donald Hollas. The one hit was Carson Palmer, which wasn't difficult to scout because he was the No. 1 overall pick in 2003. Some would even argue that Palmer was a bust -- at least relative to the expectations that came with his lofty draft status.

Because Palmer is expected to be traded or retire, the Bengals hope Dalton can buck their trend of quarterback misses and develop into a quality starter.

TAMPA, nike nfl equipment, replica nhl jerseys, Fla. — Media day, the annual circus featuring reporters from major news organizations, metropolitan papers, foreign entertainment outlets and local middle schools, took place Tuesday at Raymond James Stadium. Most members of the Arizona Cardinals and the Pittsburgh Steelers appeared to endure it with something between good humor and mild annoyance.

The San Francisco 49ers are heading into the 2011 regular season with rookie second-round choice Colin Kaepernick as their No. 2 quarterback. , authentic nfl jerseys

Big deal? Not really.

Kaepernick, nhl vintage jerseys, nike 2012 nfl uniforms, nfl jerseys authentic, the 36th overall choice in his draft class, is one of five quarterbacks since 2001 drafted between the 30th and 39th picks. Three of the four others spent at least some of their rookie seasons higher than third on their teams' depth charts.

He backed up Flutie all season,nike nfl deal,nike 2012 nfl jerseys, becoming the starter in 2002.

Every situation is different. Kaepernick did not put up impressive numbers during the preseason. Starter Alex Smith has not been durable or consistently productive to this point in his career. It's fair to question whether the 49ers should have done more to bolster the position,scotland football jersey,hockey jersey builder, but there is precedent for slotting a player drafted as early as Kaepernick in the No. 2 role.Dallas Cowboys head coach Wade Phillips hinted Monday that the club might make some changes on his staff,blank football jersey, but he's apparently safe for now. That would be a big mistake for owner Jerry Jones to give Phillips the authority to either fire or reassign members of his current staff. I'm sure any changes,nike new nfl jersey,football jersey numbers, though,nike nfl pro combat jerseys, would be made by the owner himself. Asked if he'd lost the confidence of Jones,football jersey designer,nfl cheap jerseys,reebok nfl jersey, here's what Phillips told reporters Monday:

I'm sure Jones already has Phillips' replacement in mind. Now it's just a matter of setting a timetable for the transition.
